

Academy of Veterinary Dentistry \$5,000 Veterinary Dental Grant

Applications Invited for 2012 Grant

The Academy of Veterinary Dentistry Grant Committee is accepting applications for a \$5,000 research grant. This year's award money is funded by a \$5,000 grant from the Academy. This grant will fund a project involving the oral cavity or that promotes veterinary dentistry. The funding period is one year.

A three-page proposal is required and must include the following:

1. Title and Principal Investigator. The principal investigator is financially and ethically responsible for the project, and must sign the application.
2. Biographical sketches of all professional participants.
3. A rationale for the proposed project with background information.
4. A budget to outline the way in which the investigator(s) intend to use the grant money.

Grant requirements:

The project must be completed within three years of receiving the grant. A presentation is required within one year of completion of the project to communicate research findings. This is to be presented at the annual Veterinary Dental Forum. An article must be submitted to the Journal of Veterinary Dentistry for publication within one year after completion of the project. Both requirements will be verified by contract.

Grant proposals are to be postmarked by **July 31, 2012.**

Proposals will be evaluated by the Academy Grant Committee, which will make a recommendation to the Board of Directors of the Academy of Veterinary Dentistry.

Send applications to:
